

LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

5/18/76

Dear Harold,

New Evidence On
Why Oswald Shot Kennedy -
Fascinating! Perhaps, he
left a note detailing his
reasons.

Bugliosi is doing
a favour to a Gall R.H.
Book by Turner / Huston on
The R.F.K. Case. Like Alledal
he is joining dubious experts.
Of course actions like
those of the Senate Committee
precipitate "conversions" of
this type.

One can either assume
The Committee is making
one corrupt. If one
selects corrupt, he often
goes the A.I.B. or C.C.I. route. Then
The Establishment dies,
"The Establishment Chamber", albeit
he forgets his own role
in the dialectic.
P.M. dial, in The
Appendix alone, put

it out flat as to the
deception and continuing
cover-up. Let I want
The D.F., W.H., F.B.I. etc.
resist the release of
data so bad if they
had nothing to hide?

Why not new
investigations? The new
failure to re-open the
cases speaks for itself.
What is worst is
that this was a good
Senate Committee.

Actions of this kind
make the A.I.B. or C.C.I.
appear logical by comparison.

Perhaps, I was naive
to have hoped for more.
But I did.

Sincerely,
