Dear Harold,

What distinguishes you from many researchers is that you seek the objective truth about Nov. 22/63. The West Coast Group wants a political truth. One example. Tackwood's "tapes" were edited to delete all references to "leftist" puppets, betrayals and murders. Mae, Freed, Turner et al assume a position of "For The Good of The Cause" we must cover this up. Is the W.C. any different?

Furthermore, Mae, Krasner and that clique deal in non-facts and misinformation to the extent that they do the pragmatic work of "agents." Crazy people who engage in counter-productive acts

Become in fact "agents".

"Kennedy was framed at
Rappahannock". The standard
line. Spingarn, Moss, Cutler
etc. all allege this without
any supporting data.

"Boogs was murdered".
Forget the "facts"! We have
our own!

The "Cabal Concept"
of Prouty and Spingarn
raises the question: Of
"The Cabal" controls everything
why not assume they
control Spingarn and Prouty
as well?

In this regard no adequate
explanation of any event
is valid. History is a conspiracy
of mechanistic forces. This analysis
is illogical, insubtle and
ultimately insane. Why
establish facts to fit a
puzzle when its pattern
is "known"?

And so it goes.

Sincerely,
