Dear Harold,

The last I heard
Turner and a Washington
Post reporter were seeking
a publisher on Watergate.

As per the enclosed,
interesting links between
Rebozo, Cuban exiles, and
Magic figures.

The CIA/Magic relationship
is as bad as The O.S.S.

The Pentagon/The CIA/
F.B.I./The Federal Govt.
all suppressed data
but I suspect the
actual spotters were
paramilitary.

Ray feared Louisiana
witnesses because the
conspiracy was New
Orleans based.

Watergate is "Pearl".

The truth is unlikely
to emerge.

Hope the civil action
goes well.

Sincerely,
