Dear Harold,

Sent "Day" and an acute analysis of The Vietnam War by Scott Under separate cover.

Judging from this, N.G. did well to defame himself. Appropriate that the word "whitewash" is so often used in transcripts. They make new understandable what once seemed shocking.

The press has Nixon as a home Bad Boy! Absurd. Calson is the key figure. Mitchell was correct in saying he feared disclosure of White House Hacks!

Nixon feared Calson as a man who would do anything. Thus, his call to Calson re: Bremer. And Calson's call to Hunt. These calls are crucial - yet ignored.
