Dear Harold,

A sense of bitter
discouragement is understandable.
Yet the failure was inherent
in the task. The "practical"
reasons explain little.

The Country was and is
well served by its leaders.

Truth is unwelcome for a
variety of reasons. And
other reasons follow. Of
course, Whitewash has flaws.
Yet, unemployed, what difference?
Some say, "Why attack The W.R.?"
Who believes it? A rich

comment. Yet Mr. Gowen's
remarks could apply to
your work. Make no mistake
The Pentagon Papers reveal
fiscal interests. Your
work serves only truth,
a feared commodity. You
pay the price of greatness.

What document is
itself in your opinion
is most destructive of
The W.C.?
