Dear Harold,

No question in my mind that an overview would be stronger than Watergate. Particularly with Ford as President.

Syplague gave a Toronto radio interview. Much listener interest.

I haven't read the Charstein stuff. It's not even amusing. Utter unreality. Braden. Magis. Bonnerwick/Benarwick - Armstrong. Why the hell with one party (Ray) would Armstrong implicate himself as a false lead? This logic defies a sane perspective.
