

LOYALIST COLLEGE OF APPLIED ARTS AND TECHNOLOGY

8/23/72

Dear Harold,

I intend to accept
Scott's analysis.

I had lunch with Dick
Bernabei, a very nice guy.
As to "good" intentions,
De Gaulle said of Pétain: God
will judge his motives. We
can only judge his acts.

Personally, many of what
you call "the dedicated wrong
doers" are fine people. This is
of course beside the point.
Hoax is an acid - but
accurate - portrait of Publishing.
Good sketches of Maher and
Phaelen. Amusing.

D.B. told me Mc Govern
had suggested Warren and
Rosenberg set up a Commission
to investigate Watergate.
Ha Ha!

Take care of yourself and
don't upset yourself over
the situation.

Sincerely,

8/28/72 Thanks for 8/25 and enclosures which, as usual, I'll read in some interlude. You'll see the aptness of your deGaulle quote when Bernabei forwards for return to me my yesterday's comments on what you now know, the precision and accuracy of my forecast and in ways worse than even I had anticipated. Mick is a great guy. Glad you met. Thanks,
