> 欮 Accominicice In Ray Case？

Investigators who com－ piled evidence which would have been used In a trial for James Earl Ray，convicted
if in the slaying of Dr．Martin
（ Luther King，have not ruled ；out the possibility that Ray had an accomplice． T．＂We have no proof to show＂ there was no accomplice，＂ John Carlisle，an investiga－
at＇s staf，sald yesterday． gr the evidencet we hava Is not conclusive one way or？ the ：other，＂Carlisle said； 2＇We fave nathing to prove he had someope，working with him，and nothind to prove he didn＇to
The investigation at this： point is closed but our ears are still open，Whe said，和程 Ray，accused of shooting Dr．King on April ．4， 1968 pled guilty to the charge in the spring offic6g，and was sentenced to 99 years in the tate penitentiary ${ }^{4}$ 23
HI the case had gone to trial，the state could hive proved－Ray did the shoot－ ing， Carlisle detailed Ray＇s movements from the time Ray escaped from the Mis－ sourl State Penitentiary in： 1967，until he was ：arrested by Scotiand Yard agents in London Supe． $8,1968 . \mathrm{He}$ spoke yesterday to mempers of the Ifons club．at Gold－ sint h＂s $^{\circ}$
${ }^{\text {smithers chiste also showed elub }}$ members pictures，of． 1 Dr ． King taken at St．Joseph Hospitáh following ：＂surgery performed onthe civif rights． Iब a derf．The photographs showed where a bullet from the 30.06 rifle，allegedly owried by Ray，entered Dr．， King＇s，right jaw，and where ¡丸．lodged in his left，pack，just under the skin．
Carlisle also said that laundry markings found on the inside of boxer shorts and a tee－shirt，allegedly dropped by Ray as he fled from the scene of the shoot－ ing，were keys；which led to divcovering Ray＂s，identityzio ：
