Dear Howard,

Sorry to be out of touch. Hope you and your wife are well.

The movie "Winter Kills" has been re-released to the theaters and you should see it. It's a great comedy. I'm a fan of "Winter Kills" and the current "Hot Shots!" about the Gulf War is a surprise. Some say it's the best. The White House has seen the comedy. The laugh is fair and the humor is low. The White House is a new
