Dear Ms. Singh,

Thanks to all of you for the attractive brochure and the added thoughtfulness of the stamps and labels. And for the cassettes.

By now you should have had an order from local Hood College, which plans to use some of this in a course.

I hope the copies of the brochure I'll be sending will produce a little more interest.

If I get a reaction from Hood I'll send it along.

Sincerely,

Harold Weisberg

PRESIDENT JOHN F. KENNEDY/DR. MARTIN LUTHER KING, JR.
ASSASSINATION MATERIALS

The materials listed in this brochure were developed from a symposium held on the University of Wisconsin-Stevens Point campus in November of 1976. The symposium was directed by Dr. David R. Wrona, Professor of History at the University of Wisconsin-Stevens Point and a nationally recognized authority on the President John F. Kennedy assassination.

Other symposium participants included: Harold Weisberg, author, former Senate investigator, editor, investigative reporter, OSS intelligence, political analyst and the man regarded by many as having done the definitive investigation, research and writing on the President John F. Kennedy/Dr. Martin Luther King, Jr. assassinations and their official inquests; James H. Lesar, Washington attorney, who has specialized in numerous freedom of information suits regarding the President John F. Kennedy/Dr. Martin Luther King, Jr. assassinations, and is an authority on the legal aspects of the investigation of the Dr. Martin Luther King, Jr. assassination; and Howard Roffman, attorney, recognized authority on the President John F. Kennedy assassination and its investigations, and author of Presumed Guilty, one of the key source books for an understanding of the Warren Commission investigation.

The President John F. Kennedy/Dr. Martin Luther King, Jr. assassination materials present the research of four scholars over the past 14 years, and emphasize the legal obstacles barring the path to the public's access to information. Several of the video-cassettes contain rare photographs never before made public.
