THIRD CLASS

WANT TO START A REAL AND HONEST HOME BUSINESS??

Now here is a product: Shag Carpeted Toadstools. These beautiful toadstool-shaped hassocks are custom made from shag carpet, rough wood, and regular carpet pad. They are great accent pieces for any style living or family room. Any person can make these toadstools and you can either make your own components with the companies easy to follow instructions or you can order all the parts separately from the last page of the instruction manual. Not only do they show you how to make this toadstool, but they also tell you how and where to sell it, which is easy to understand. This is an ideal business for a man or woman on a full or parttime basis. Everyone who sees one of the toadstools wants to buy one. You also can add this product to your present business. You can order the plans and partlist for only \$2.95 from:
