The Virtuoso

Hello Lil and Harold

Liz asked me to send you zeroes of the photos of the Inaugural Concert for Vartan Gregorian at Brown. It was undoubtedly the climax of his musical career, of even greater significance than her performance with the Brown Symphony Orchestra at Carnegie Hall in April, 1987!

Zuckerman was superb rehearsing with them, during the concert and following it. Only one criticism - he wouldn't allow Brown to include ~~Handel's~~ Vivaldi's 4 Seasons to be included in the Video reproduced for distribution, much to great disappointment of the orchestra and all Brunian's.

August 21, 1989

My love to you both
Elaine
