Dear Harold:

A quick note to acknowledge your letter and to add that the local book store dealer #3 has obtained the Post Mortem books. It seems that he was writing to a Tennesse distributor, by the name of Ingrham (Z) which finally got them in stock and then shipped them to him. To the local dealer it seems that this is the best way he works. Why I do not know and do not seek to know. All the time he was telling me he wrote you about P M he was meaning he was writing about PM but no answer--but the books are here and that is the name of the game. The kids here are now content, Sorry if you were inconvenienced in even a minor way. ~~but~~

Bye the way the Tennessee dealer puts his ~~xxx~~ stock of books on a micro-film or fiche and this is sent throughout the country (or Midwest.) The local #3 showed me the picture on his screen, which had it listed.

The SRIPKA group here had a radio session at a nearby town and really happy about the way it went and are now working a little harder to get their Baets down and their argument clearer.

I hope Jim the Lesar was not cleaned out in Las Vegas.

adios
