

PAUL WURTZEL
1688 SUNSET PLAZA DR., LOS ANGELES, CALIF. 90069

Dec-9, 1975 - Tues.

Dear Harold

Thanks for the autographed
copy of Post Modern. Hope
your visit to the Dr. today
finds you much improved.
As I said on the phone -
the small amount I have
read gives the cover up
and what a fine Specter is.

If I don't speak to you
before the holidays please
have good health and good
luck -

as ever,

Paul
