**U. S. SENATE SELECT COMMITTEE TO  
STUDY GOVERNMENTAL OPERATIONS WITH  
RESPECT TO INTELLIGENCE ACTIVITIES (SSC)**

Reference is made to the SSC request dated December 11, 1975, for access to FBI materials.

This constitutes a response to Items 1b, 1c, 1d, 1e, 3g, 4, 5, 6, 7 and 14 of that request.

Materials responsive to Items 1b, 1d, 3g and 14 have been assembled and are available for SSC review at FBI Headquarters.

Item 1c requested the identity of "FDH" whose initials appeared at the bottom of the first page of a memorandum from C. R. Davidson to Mr. Callahan dated "July 6, 1964," concerning "SA James P. Hosty, Jr." No memorandum dated July 6, 1964, could be located. It is believed that this request relates to an April 6, 1964, memorandum made available to the SSC in response to its request of November 18, 1975. The initials "FDH" appearing thereon are those of former Special Agent (SA) Frank D. Hereford, who retired June 29, 1973.

Item 1e requested materials pertaining to the transfer or possibility of transfer of SA Hosty from the Dallas Field Office. Four communications responsive to this request were located:

1. Memorandum from C. R. Davidson to Mr. Callahan dated April 6, 1964, concerning SA Hosty.

2. Memorandum from C. R. Davidson to Mr. Callahan dated September 25, 1964, concerning SA Hosty.

3. Memorandum from C. R. Davidson to Mr. Callahan dated September 28, 1964, concerning SA Hosty.

4. Letter to SA Hosty from the Director, FBI, dated September 28, 1964.

The first two of the aforementioned communications are among materials available for SSC review at FBI Headquarters in response to Item 1 of the SSC December 11, 1975, request. Our memorandum dated December 31, 1975, informed the SSC of the availability of those two communications. The third and fourth communications listed above are now available for SSC review at FBI Headquarters.

Item 4 in referenced request concerned materials relating to the transfer or proposed transfer of SA Hosty. Materials responsive to Item 4 are included in those assembled in response to Item 1 mentioned above.

Concerning Items 5, 6 and 7 in referenced request, materials responsive to these items are included in the materials assembled in response to Items 1 and 2 of the referenced request. Our memorandum dated December 31, 1975, concerning Items 1 and 2 reported the availability of those materials for SSC review at FBI Headquarters.
