Mr. Jonathan Dolger  
Managing Editor  
Dell Publishing Company  
750 Third Avenue  
New York, New York

Dear Mr. Dolger:

Herewith the errata for WHITEWASH II. As I told you yesterday, while I would much prefer the index to be included, I agree to its omission with your promise it will be included in subsequent printings. I am sending you a copy separately. I have not been able to edit and check it against the cards, which are available to you.

Sincerely,

Harold Weisberg
