Mr. Richard Roberts  
Senior Editor, Dell Publishing Corp.  
750 Third Avenue  
New York, New York

Dear Mr. Roberts:

Here is our indexing copy of WHITEWASH and  
several additional copies of the index itself.

I checked with Merkle Press as promised first  
thing Monday morning, and they assured me they had  
squared away with Miss Barrow and would that day or at  
the latest Tuesday morning send everything she required.

If there is anything else you would like from  
me, please let me know.

Yours sincerely,

Harold Weisberg
