Dear Miss Caplan,

If it is not too much trouble, would you please insert the enclosed two pages in the proper places in my Book? Thanks. Dont try and unsteple and restaple- just fold them in half and lay them in place.

Of course, I dont know whether Mr. Roberts gave it to you to read, but I do hope that you (or whoever it is) ^{is} reading the book and enjoying it.

Sincerely yours,

Harold Weisberg
