

Bob -

The info in TP2 of
attached is substantially
that testified to by Mrs. Rich -
Hamilton to the Warren
Comm. Altho Mark Lane
says (TP3) that it is significant
in connection with Garrison's
investigation I do not see
any connection. The woman
admitted to the Warren Comm.
that she was a prostitute & was
hustling for her husband.
she claimed to have worked for
Jack Ruby. In her testimony
she did not indicate any knowledge
of Oswald.
