INFORMATIVE NOTE

Date June 9, 1967

CBS News will present a three hour television special "The Warren Report" to be shown on Sunday, Monday and Tuesday June 25, 26, and 27, 1967, from 10 p.m. to 11 p.m. CBS advance notices announce this television special will examine the major points of controversy concerning the assassination, and that "fresh material" has been uncovered. For more than six months a team of CBS staff has been preparing the program.

We will monitor the program and a memorandum will be prepared concerning it.
