INFORMATIVE NOTE

Date 6/27/67

News media have reported William Gurchich, former chief aide of Garrison, has resigned his position. Gurchich is now talking to the press regarding fraudulent nature of Garrison's investigation. Charges of Gurchich against Garrison as reported in the attached appear fantastic and, if true, gives solid indication Garrison is mentally ill.

~~Since the attached is from news media, it will not be disseminated.~~

*As furnished here, disseminated
to White House and Attorney General*
