[REDACTED] (b)(3)

Concerning the above, it should be noted [REDACTED] interviewed by our New York Office in 1963 concerning the sex scandal in Great Britain brought about by revelations of activities of War Minister John Profumo and call girl Christine Keeler. Eddowes was representing Miss Keeler and claimed the FBI knew of their activities in 1961 and had advised British authorities of such. Claims made by Eddowes were disproved. [REDACTED] (b)(7)(D)
