New Orleans, La.
 Mr. ALEC GIFFORD, WDSU-TV, informed that on the night of October 24, 1963, Mr. DON MITCHELL of New Orleans, who is connected with Walker-Saucy Advertising Company in New Orleans, informed him that his roommate, JERRY STEIN, also an employee of Walker-Saucy Advertising, had received a telephone call from an individual known to MITCHELL as JACK (last name unknown). He stated this individual JACK provided STEIN with information concerning an individual by the name of DAVE FERRIE who allegedly was formerly connected with one of the airlines in New Orleans and who was presently living in New Orleans at 3330 Louisiana Parkway. GIFFORD stated that he understood from what was told STEIN by JACK that FERRIE had been very friendly with LEE HARVEY OSWALD of Dallas, Texas and who had been charged with the assassination of President JOHN F. KENNEDY. JACK related to STEIN that FERRIE was supposedly the individual who had showed OSWALD how to shoot a rifle with a telescopic sight. He also had apparently been with OSWALD in Dallas, Texas sometime within the last ten days or two weeks.

GIFFORD stated that based upon the information from MITCHELL he informed Mr. JOHN RICE of the U. S. Secret Service in New Orleans of this information and at that time told RICE that he intended to personally interview DAVE FERRIE at his residence to find out whether there was any basis, in fact, concerning this information.

He stated he went to 3330 Louisiana Parkway in New Orleans for the purpose of contacting DAVE FERRIE but did not find him at home. He stated as a result of this, he inquired of two different neighbors in the area concerning FERRIE and at that time learned that one of the neighbors thought that FERRIE was a psychiatrist and that the other was sure that he was a psychiatrist. They stated FERRIE was doing private psychiatric work in the neighborhood and was believed to have a clinic or an office in downtown New Orleans, however he could not determine where this office was. He stated FERRIE had been living at this address on Louisiana Parkway for over a year and that FERRIE had allegedly studied psychiatry or psychology in Italy. One of the neighbors told him that most of FERRIE's patients were young men usually

between the ages of 18 and 24 and that he had an almost continuous stream of patients coming to his apartment. They stated that FERRIE usually discussed their problems with these young men for an hour or two at a time. They informed also that they believed FERRIE was possibly a hypnotist or practiced hypnotism, which may have some connection with his psychiatric practice.

He stated he learned also that FERRIE owns a motorcycle and that this is apparently his only means of transportation.

{ GIFFORD stated he has been of the impression since making these inquiries and talking to MITCHELL that FERRIE is apparently a homosexual and has tendencies along this line. }

While at the address of FERRIE on Louisiana Parkway he, GIFFORD, met Mr. RICE of the U. S. Secret Service who was also attempting to contact FERRIE and gathered that the Secret Service was interested in this information and would undoubtedly be interviewing FERRIE.
