Arcacha is charged with conspiracy to burglarize an explosives dump at Houma in August, 1961.

BOTH ARCACHA and Novel are wanted by Garrison as key witnesses in the DA's Kennedy death plot investigation.

The DA's office has accused Arcacha and Novel of conspiring with another principal figure in the incuiry, the late David W. Ferrie, to steal munitions from the oil well service company's bunker in Terrebonne Parish.

Arcacha is free on \$1,500 bond at Dallas, and Novel is awaiting an extradition hearing at Columbus under \$10,000 bail. Both men are fighting attempts to return them here for questioning before the Orleans Parish Grand Jury.

EXTRADITION PAPERS were sent to the governors of Texas and Ohio in both cases. In each case, the extradition requests were returned to correct what authorities described as technical imperfections.

Presumably, Garrison wants to question both men about their association with Ferrie and their activities on behalf of militant anti-Castro organizations in New Orleans.

Arcacha was leader of the Cuban Democratic Revolutionary Front in New Orleans, and Novel has described himcelf to friends and associates cause of threats and coercion."

The affidavit, signed by Beaubouef on April 12, has been forwarded to the Ethics and Grievances Committee of the State Bar Association by Garrison.

A story about the alleged . bribe attempt appeared in a national magazine this week, and Garrison contends the story and its supporting tape were offered for sale by still another lawyer who repesent. ed Beaubouef.
