OF NEW YORK

Man About America

EN ROUTE to the GOPoldwater convention at wonderful San Francisco—Tip to Hearst Headline Service: Heckuva-of-a-story at Defense Dept.: Get our man at Washington to confirm "how much extensive damage" was done to the Alaskan Air Command's defense during the quakes. Almost

knocked them out of the ballgame... Charles Chaplin's dght, Gerry, 19, and Georges Gobiloff kicked Cupid out the window... The Duchess of Windsor's format for reserving a table in a Paris restaurant: Sends her Girl Friday first. If the table is the best one (and the lighting flattering) she consents. Otherwise nope... Att'n our editors in SF: A new breed of Commies in starting in SanFran. Call themselves "The Provisional Organizing Committee for a Marxist-Leninist Communist Party." G-men take movies of

their every move, in and out of wherever they gather... During a recent NYC convention these scummies (who plead and breast-beat for minorities, Negroes, et al.) segregated their "workshops." One was label'd: "Civil Rights in the North," the other "Civil Rights in the South"... SecofState Rusk has offers from 22 universities if he resigns after Election Day... Weren't the B-52 bombers grounded for reinforcement in structure? (Just askin', Mr. President)... By election-time an entirely new crew of Secret Service faces will protect Mr. Big.

THE SENATOR DIRKSEN support of the man from Barryzona is just for "once around" the 50 states... LBJ OK'd sending 500 U.S. trained guerrilla-fighters to Sovietnam to destroy enemy supply lines... Didn't Mr. Lodge tell Ike that no Goldwater man will support Mr. Nixon as the compromise candidate?... This is what bugs LBJ in an election year: Higher wages and taller prices in Sept. & Oct... LBJ's bait to Red China to "save face" and halt the conflict in South Viet Nam: "Get out and get into the United Nations!"... DeGaulle's orders to his UN ambass: "Vote opposite Adlai Stevenson"... George Rosen's applauditory Variety article (on NBChief Kintner's 20 years in broadcasting) made the Cong. Record via Cong. Fred Mooney... We will be on the Mutual Network radio team (at the Repub conv). Almost 600 outlets. Largest hookup in the world.
