

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, DALLAS (89-43)

DATE: 11/29/63

FROM : KYLE G. CLARK, ASAC

SUBJECT: ASSASSINATION OF
PRESIDENT JOHN F. KENNEDY

ASAC W. T. BROOKING, JR., San Antonio, telephonically advised 10:55 AM, this date, that they had developed info that OSWALD had traveled from Mexico City via La Frontera Bus Lines to Nuevo Laredo.

While in Mexico City, he stayed at a hotel known as the Del Comercio. He checked out of that hotel on 10/1/63; however, bill was paid through the night of 10/1/63.

OSWALD left Mexico at 9 AM, 10/2/63, and arrived in Nuevo Laredo, 7 AM, 10/3/63. The bus trip to Nuevo Laredo takes approximately 20 hours.

He checked through Immigration and Customs on 10/3/63, and was checked by a Mexican official by the name of CHAPA. CHAPA does not remember OSWALD; however, CHAPA worked on 10/3/63, on the shift from 12:01 AM to 8 AM, and records show OSWALD was still in processing at 8 AM.

The distance from Laredo to Dallas is 426 miles and per Texas Unemployment Records, OSWALD filed for his Unemployment Check on 10/3/63, and was handled here in Dallas, that agency, by H. S. ANDERSON.

ASAC BROOKING advised that cursory review of the signatures of the subject appear to differ to quite an extent. In addition, ASAC BROOKING advised it is possible to fly from Laredo to Dallas. Braniff does not fly into Laredo, however.

San Antonio is submitting a teletype of the above.

LEADS

This memo should be routed to SA DOYLE WILLIAMS for review and comparison with the bad checks obtained from Braniff that were given by the subject. Thereafter, flights from San Antonio to Dallas on 10/3/63, should be checked. If negative, check with the bus lines should be made.
