RE: Leak of information carried in "The Dallas Morning News,"
June 27 and 28, 1964

On the afternoon of 7/11/64, Supervisor Ludwig Oberndorf, Washington Field Office (WFO), was advised that the interview with Representative Gerald R. Ford, a member of the President's Commission, had been approved.

SA Oberndorf was requested to have Representative Ford's office contacted this morning, 7/13/64, to set up an appointment. In the event Representative Ford is in San Francisco for the Republican Convention, it was not desired that he be interviewed at San Francisco, but that arrangements be made for the interview to be conducted upon his return to Washington, D. C. SA Oberndorf was advised that if Representative Ford's office inquired as to the reason for the appointment, they could be advised that it was in connection with the leak of Lee Oswald's diary to the news media.

Assistant District Attorney William Alexander, Dallas County, has intimated that Representative Ford was the source of the leak of Oswald's diary to the news media. Mr. Rankin of the President's Commission has been advised. Representative ^{Ford} has requested that he be interviewed in order that he could go on record concerning this matter. WFO has the necessary background to handle this interview.

The above is being submitted for record purposes..
