

Dear Gary,

agular + Mack

I've a supply of copies of the index so I can provide them.

I'll appreciate if those who^{it} want one will include a stamped envelope. For a ~~stand~~^{stand} envelope ^{it} will require three stamps. For a ~~man~~ manilla one, which should ^{of} avoid any folds, it will ^{take} take four stamps/

I have gotten a small supply of copies of the book, about a third of what I'd asked for.

As long as they last I'll send copies on a first-come first serve basis.

I'm sorry about this unfortunate confusion but I got no response to anything I ^{of} sked and did not know I'd get any books until a box of only 20 arrived yesterday.

Thanks and best,

Harold
