SYNOPSIS

DETAILS

Marina Oswald stated that her husband had no other means of transportation but by a bus or walking. She also states that Mrs. Marguerite Oswald had information concerning the attempted assassination of former General Walker.

DETAILS OF INVESTIGATION

Reference is made to M/R of ATSAIC Gopadze, dated 12-5-63.

In order to ascertain the mode of transportation used by Lee Oswald during his stay in Dallas and its vicinity, and because of reports that he had been seen practicing a rifle at the Sports Dome Gun Range, Grand Prairie, Texas (M/R of SA Kunkel dated December 3 and 4, 1963), Marina Oswald was interviewed by the reporting agent on 12-6-63 at the Martin residence. She stated that she is positive that her husband had no car nor ever borrowed one from anybody. They were too poor to buy one and he was too independent to be obligated to anyone by borrowing anything from them. According to Marina Oswald, whenever they needed transportation to move from place to place they were helped by either Ruth Paine or Elena Hall and that when they moved from the apartment on Elsbeth Street to the apartment on Neeley Street they moved their own belongings as the apartments were only a few blocks apart.

As set forth in the M/R of SA Kunkel, Lee Oswald has been identified as being at a rifle range on October 28 and 30, 1963 and on November 2 and 16, 1963. By furnishing Marina Oswald with a calendar and also by calling her attention to a notation found in Lee Oswald's address book, the name of FBI Agent James P. Rosty, his phone number, his address and the date of November 1, 1963, she stated that this notation was made by her husband the same day (November 1, 1963) when she and Ruth Paine advised him that two FBI agents were at their house asking for him. Her husband arrived at the house about an hour after the agents

departure. She said she would like to correct her previous statement concerning the visit of two agents either on November 3 or 4, 1963, as previously reported, as she is sure now the visit was on November 1, 1963.

Marina Oswald went on to say that her husband was with them over the weekend of November 2 and 3, 1963, that he did not go any place, that the following weekend, November 9 and 10, he also spent with them, and that it was the weekend of November 16 and 17 when he did not show up at their house. Marina Oswald further said that she did not think her husband had the rifle any place but Mrs. Paine's garage as she or Mrs. Paine would have seen him with the rifle during the weekends. According to Marina Oswald, she saw the rifle in the garage about three weeks prior to November 22nd and she thinks that the rifle was taken out of the garage by her husband in the morning of the assassination of the President.

Marina Oswald was further questioned concerning the attempted assassination of former General Walker by her husband on April 10, 1963, and whether any one else knew beside herself about this act. She stated that the day of her husband's arrest and after she and her mother-in-law returned to the Paine's from visiting Lee Oswald at the City Jail, she told her mother-in-law that she thought Lee was responsible for shooting the President as he previously unsuccessfully tried to kill General Walker with his rifle. That was the same day when Mrs. Oswald, Sr., told her to destroy Lee's pictures in her album showing him standing with the rifle. Marina Oswald further stated that her husband twice saw the TV showing of a moving picture depicting a plot to kill a Cuban dictator with a bomb where the plotters had to dig a tunnel and that Lee did not like the picture as he said that was the way they did in the old days. She also thought Lee saw a TV showing of a movie where an attempt was made to kill a President at the railroad station with a rifle, from a house, but she was not sure about it. The way Marina Oswald was describing the later picture, it leaves very little doubt that this picture is entitled "Suddenly" starring Frank Sinatra.

Marina Oswald also was asked for assistance in transcribing various names, words and addresses written in Russian by her husband in his small notebook, reproduced pages of which were furnished this Service by the FBI. Nothing was found there of interest to this Service except various names of their friends while they were living in Russia, their addresses, and telephone numbers, various names of Government offices, Russian calendar, proper pronunciation of Russian words, items to be obtained for Marina's departure from Russia and a hand-drawn map of the Kremlin and its vicinity.

English meaning of notations found in Lee Oswald's book and written in Russian are set forth by pages in the attached separate page.
