Mr. Richard Helms
Randy Street, NW
Central Intelligence Agency
Washington 25, D. C.

Dear Mr. Helms:

Thank you for your assistance of January 23, 1968, in furnishing a detailed chronology of Lee Harvey Oswald's stay in the area. This and the alphabetical list of persons in the area which are known to or contacted by Lee Harvey Oswald or his wife.

In an official review I am confident that this material will be of great assistance to the work of the Commission. However, I have a question regarding the status of the information for the FBI. For example, items are referenced to the FBI by letter items 10, 11 and 12. I would appreciate to know whether or not questions have been prepared to the agencies which can be made available to the Commission.

Very truly yours,

Director,

Central Intelligence Agency
