Dear Harold:

Thank you for Whitewash 4. At this time I would like to ask you if you can possibly supply me with any photographic evidence concerning the case. If you have any slides "Phil Willis" ect, I would be able to supply funds. Like yourself, I am a collector of J.F.K., literature. To put it into easier words, anything you have for sale, concerning the J.F.K. assassination, I will buy.

Hoping to hear from you soon,
Yours Sincerely,

Harry A. Gardner

Dear Harry,

There was a time when I had duplicates of some of the pictures.

However, over the years, I've let people like you have what duplicates I was able to obtain.

Today I haven't a single duplicate of any kind.

In fact, I no longer have some only copies. I've loaned them out and not gotten them back.

Sorry.

Thanks for the enclosure. If you see any stories on their gathering in Boston I'd be interested.

Best regards,
