Dear Mr. Weisberg:

This is in reply to your letter of May 26, 2001 to Steve Tilley requesting 8x10 color prints of frames 337 and 338 of the Zapruder film. It was forwarded to this office and received here June 13, 2001.

The legal restrictions on this material prohibit the National Archives and Records Administration from providing copies of all or any part of this film without written permission from the copyright holder's legal representative, LMH Co. in care of James Lorin Silverberg, 918 16th Street NW, Suite 400, Washington, D.C. 20006. The telephone number is 202-332-7978 and the fax number is 202-293-3187. While the film itself became federal government property on August 1, 1998, the copyright status remains intact under an agreement between the Justice Department and the Zapruder family.

Once you have received permission from the copyright holder, we would be pleased to provide reproductions of the two images through one of the vendors who provide this service to the public.

Sincerely,

Mary Perio-NWCS

Dear Mr. Tilley,

Some years ago Gerard Selby and I sued the Zapruder estate, he to use the Zapruder film in a documentary that won him a golden eagle award and I for slides to be used in my work. The suit was settled out of court. The photographer who had promised to make those slides for me backed out and I could not afford the Archives' charges for doing the entire reel.

Now, however, I would like ^{two} of those frames but rather than as slides as 8x10 pictures in color. I believe the numbers are 337 and 338. There were nine more of those slides of which the FBI was to have made black and white prints for inclusion in CE 885 but the FBI omitted them. The two I want are the third and the fourth of those nine, please.

Please let me know the cost and I'll send you a check.

Sincerely,

Harold Weisberg

If you have any trouble finding a copy of that agreement, Jim Lesar was our lawyer.
