Mr. James H. Lesar
Attorney at Law
918 F. Street, N. W.
Washington, D. C. 20004

Dear Mr. Lesar:

This is in reply to your letter of November 19 on behalf of your client Mr. Harold Weisberg, concerning copies of slides made from the original of the film taken by Abraham Zapruder at the time of the Assassination of President John F. Kennedy (item 200.436, & 200(S)ZF.163-486).

As we had discussed, the original Zapruder film does have frames throughout which do contain images between the sprocket holes. We can provide your client with a set of color slides (2x2, \$2.65 each) of the 486 frames for approximately \$1300. Order forms are attached.

Please be advised that since we will need to reshoot 35mm slide film of the original 8mm motion picture film before we can make you a slide set, your order will take 8-12 weeks to complete.

In addition, you will need to obtain written permission from Mr. Henry G. Zapruder before the slide order can proceed. Please ask that the letter of release be sent to our Still Picture Branch (NNSP).

If you have any questions concerning the Zapruder motion picture film or the technical requirements for copying it, please contact me at 523-3291. If you have questions regarding the ordering of the slide set, please call Mr. Ed McCarter of the Still Picture Branch at 523-3010.

Sincerely,

Leslie C. Waffan
Motion Picture, Sound
& Video Branch
