COMMENT: Above probably three groupings: 26-30, 31-36, 37-41.  
 All may be of interest, but what especially catches my eye is the statement  
 in (31) together with the name Kunaniec in (35)/relates Giesbrecht story?  
 (Romaniuk????)

NOTES: Above fone nbrs most or all Chicago, Ill.  
 pages 67-73 and at least 79 relate to the same "thing".....

All of this apparently stems from some anonymous notes to the authorities at various cities from one "Yards, British Agent". Item D-196 & Item D-205 Federal Register. Good guess that "Yards" is the party indexed to this file, page 69. "Brett, alias of Try(sic) M. Motch".... The man may be some kind of a nut. ///Still there lingers in ones mind the comment vol.26 p.441 by a certain Cuban in the gun business...."We now have plenty of money, our new backers are Jews".
