Memorandum

TO : SAC, DALLAS (89-43)

FROM : SA MILTON L. NEWSOM

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

DATE: 11/25/63

Mr. WALTER BENT, Sales Service Manager, Eastman Kodak Company, Processing Service Division, 3131 Manor Way, telephone FL 7-4654, Dallas, telephonically advised his company had received two rolls of 8 millimeter Kodachrome and one roll of 35 millimeter film in a package from Mr. CHARLES BRONSON, Chief Engineer, Zarel Mfg. Company, 9230 Denton Drive, Dallas, Texas.

Mr. BRONSON enclosed a letter with his film, stating that the film had been taken at the instant President KENNEDY was assassinated. BRONSON also advised in the letter that from the position he was stationed when he took the film, he feels quite certain the Texas School Book Depository building was clearly photographed and he feels that the window from which the shots were fired will be depicted in the film. He stated for this reason he believes he may have a picture of the assassin, as he fired the shots.

Mr. BENT stated Mr. BRONSON's letter indicated he desired to be cooperative regarding the film with proper authorities and BENT is of the opinion that BRONSON will have no objection to turning the film over to proper authorities in the event it is of value to the investigation.

Mr. BENT stated that he would make arrangements with Mr. BRONSON to view the film at the Kodak Processing Center and would arrange this so that FBI Agents could be present at the same time interview BRONSON concerning his film of the scene.

Mr. BENT assured his full cooperation regarding all film received of a like nature that may possibly be connected with this matter and arrangements were made with him to immediately notify SA NEWSOM of any film of possible value.

SA MILTON L. NEWSON

SUBJECT: ASSASSINATION OF PRESIDENT KENNEDY

Mr. WALTER BENT, Sales Service Manager, Eastman Kodak Company, Processing Service Division, 3131 Manor Way, and Mr. CHARLES BRONSON, Chief Engineer, Zarel Manufacturing Company, 9230 Denton Drive, were contacted by SAS MILTON L. NEWSON and EMORY E. HORTON on 11/25/63.

Films taken by Mr. BRONSON at the time of the President's assassination including 35 mm. color slides which were taken with a Leica Camera, and 8 mm. Kodachrome film were reviewed. These films failed to show the building from which the shots were fired. Film did depict the President's car at the precise time shots were fired; however, the pictures were not sufficiently clear for identification purposes.

One of the 35 mm. color slides depicted a female wearing a brown coat taking pictures from an angle, which would have, undoubtedly, included the Texas School Book Depository Building in the background of her pictures. Her pictures evidently were taken just as the President was shot. Approximately five other individuals in the ~~area~~ were taking pictures at the time.

Arrangements have been made with Mr. WALTER BENT whereby each package of film received for processing by that company, will be returned to the owner of the film with a slip of paper attached requesting the individual to notify the local FBI Office in the event pictures in the package reflect the scene when the President was assassinated. Mr. BENT advised this company does the processing for all the southwestern states. An airtel is being furnished southwest offices notifying them of the above arrangements in the event they receive calls of this type.
