Comment: An interesting grouping. Castro Baile & Quintana Maya are two of the subjects of withheld file CD1085. Sections (s) & (t) of said file seem to indicate these two were operating in Dallas. The motto under 159. above seems especially vindictive.

Suggest any information that can be obtained on the group could be pertinent.

Note: 177-182 appear to pertain same, &
apparently are available from Archives.

From what is onhand, apparently Jesus Armando Mendoza was AWOL from army in Nov.63, his father called him (from N.Y.) at Detroit, ostensibly to get him to rejoin the Army, and the father came out to Detroit, about the time of the assassination, ostensibly for the same reason.
