Harold: This index was not listed among those available in Rhoads' letter to you of 8/6/68. There are probably more available; we will make a list of likely candidates and ask you to ask the Archives. Suggest you take no action yet.

We have the Gemberling affidavit on handling of Oswald's notebook; presume you have it too. Do you want a copy? We have more documents which might interest you; a letter will follow (as time permits). Thought the enclosed Harding matter should not wait.
