Dear Mr. Weisberg:

This is in response to a Freedom of Information request which you submitted to the Central Intelligence Agency for documents of the Warren Commission. In the course of its review, the CIA has surfaced several documents which were originated or received by this agency and has asked us to respond directly to you on them.

These documents were given CIA numbers 0268-0272. All these documents are released to you in the form referred to us from the CIA, except one document which originated with and was classified by the United States Senate Select Committee to Study Governmental Operations with Respect to Intelligence Activities. This document has been referred to the Senate for declassification review, and we will inform you when that review is completed.

Sincerely,

A handwritten signature in cursive script that reads "James E. O'Neill".
