Dear Sylvis,

Many thenke for the retyoing of the list of Arch meterials. It is mueb more accessible in thet form. However, it is slan not dependeble because it is not complete and becouse indiviausl aocummente in some of the files are etill withheld. I preaume oither Bud or I sont you copies of whet he did on this y year ego, and that oul also sent you his/their work. If not, we cen supply it.

I a Jse heve whet these noble mebodements of federel scholorship were careful to mithhold from me, to not let me knomexiste, other list with which they supplied Paul. Beceuse my machine, Cespite recent repif, is not functioning proprly, I eaclose them so you my opy them if you d like and then return. I have so much copying I oust now do sor othor purposes i feer overloeding the aging device.

Bua nee here jesterdey. He did not heve tu time to complete exemination of the files plamed. However, we are much closer be the actual filing of sults agsinct the government (bt lepet Secaet ervice, Depertmont of Juetice end Arch.). Fe is beginting to belinve they may give ma whot I seek mather than pisk the sttention to the materinl a sutt meft couse (hom I wish he's enm to this conelusion bayesr gego'), creaiting them with more wisdom then i do. I regerc them as a make strribug to swallow on shimel ond uneble to regurgitete. ف" 11 see. I think they dere not exive me whet I went.

Te is goin* to Englend 11/1. Sor two Teces. Is therg gnything you'd Ilve checked out there?

Dy the tiln a lecve fornew lork I will heve gopies ci some original files Which we heve hat only copies of coptes. he orietnels are rot constetent whth any of tuemeny copies, have. I'll tell you the sergy hen $I$ see you. Pertaps by then I will h ve learned ${ }^{\prime}$ little more. In this cese, on inexcusecte overeticht on my part doniso me this for tho yeares for 1 too succoeded i forcing it without realizing H heo succepded, $L$ meak to hastily, Fon decesved by the ellipsis end ton-hungrily grabbed for the abit then olered. I Eheme!

I am sending aul and Gary copies of your r申typing of the list.
