Mr. Harold Weisberg
Route 8
Frederick, Maryland 20701

Dear Mr. Weisberg:

In the course of the preliminary compilation of photographic evidence and materials pertinent to the Kennedy and King assassinations, your name has been brought to our attention as a possible source of such evidence.

It would be of great help to the investigation if you would provide us with an index of relevant photographs that you may have in your possession, a brief description of their significance, and a list of other researchers you may know of who have done work in this area. Eventually, with your consent, we may want copies or originals of certain of your materials as we evaluate our need for obtaining them. Should it be the case that any of these materials have left your possession, please let us know where they may presently be found or the person(s) to whom they have been given.

As you may have done other work relevant to either assassination, you may have other information or materials that will aid us in our investigation. We would appreciate hearing about it.

We thank you in advance for any assistance you provide and look forward to hearing from you.

With all good wishes, I remain

Sincerely,

Patricia M. Orr
Special Assistant to the
Chief Counsel and Director
