

## Ruby Introduced Oswald as C.I.A. Agent, Woman Tells House Inquiry

WASHINGTON, March 31 (AP)—Investigators of the House Assassinations Committee told committee members in a secret briefing this month that a woman who worked in a Dallas nightclub before President Kennedy was assassinated was willing to testify that Jack Ruby introduced Lee Harvey Oswald to her and to others as "Lee Harvey Oswald of the C.I.A."

Mr. Ruby, a Dallas nightclub owner, killed Mr. Oswald after the Kennedy assassination. The Warren Commission concluded that Mr. Ruby did not know Mr. Oswald before the assassination, and Mr. Ruby maintained he had not previously known Mr. Oswald.

A 20-page section of the secret March 17 briefing was accidentally released by the committee yesterday, a day after the House voted to give the panel two years to pursue its investigations of the killings of President Kennedy and the Rev. Dr. Martin Luther King Jr.

### Doubt on Warren Commission

The investigators also said the possibility that there were too many bullet fragments for Mr. Oswald to have killed Kennedy alone had been raised because of the story of a nurse. She was identified as the head nurse at Parkland Hospital in Dallas. Investigators quoted her as saying four or five bullet fragments, not one

clean bullet, were removed from John B. Connally, then Governor of Texas, who was wounded when Mr. Kennedy was killed.

If that is true, the investigators said, the Warren Commission's conclusion that one bullet went through President Kennedy's body and then traveled on to wound Mr. Connally might no longer be valid.

Robert Tannenbaum, the committee's chief investigator of the Kennedy assassination, told the committee: "If the four or five fragments in fact were taken out and if we can show—if we can locate them—that they weigh more than that portion that is missing from that bullet, then the very cornerstone and basis of the entire Warren Commission report is no longer valid."

The commission, headed by Chief Justice Earl Warren, concluded that Mr. Oswald was acting alone in killing President Kennedy and was not part of a conspiracy.

Mr. Tannenbaum told the committee that he considered the bullet theory and the former nightclub worker's story "very significant." He said the woman was prepared to testify on Mr. Ruby's reference to Mr. Oswald as being from the Central Intelligence Agency.

Further, Mr. Tannenbaum said, the same woman is prepared to testify that she was taking pictures at Dealy Plaza

when Mr. Kennedy was killed there and that two men identifying themselves as C.I.A. and Federal Bureau of Investigation agents took the film from her two days later. Mr. Tannenbaum quoted her as saying her camera angle would show parts of the controversial grassy knoll. He added "that could be crucial."

One conspiracy theory that has never been proved was that shots were fired from a gun on the grassy knoll at the same time Oswald was firing from the Texas schoolbook depository building.

### Suicide Time Pinpointed

PALM BEACH, Fla., March 31 (AP)—A tape recorder being used to transcribe a television program recorded the gunshot when a friend of Lee Harvey Oswald killed himself, the authorities say.

Lieut. Richard Sheets of the Palm Beach County sheriff's office said there were no sounds of anyone else in the back-

ground as George de Mohrenschildt died. Mr. Sheets said that by comparing the tape with television station logs the investigators determined that Mr. de Mohrenschildt, 65, shot himself at 15 seconds past 2:21 P.M. Tuesday. Mr. Sheets said the autopsy, which concluded Mr. de Mohrenschildt committed suicide, would be reviewed before the case was closed. But he indicated he thought the death was a suicide.

Mr. de Mohrenschildt, a Dallas geologist, apparently shot himself after an investigator for the House Assassinations Committee tried to interview him, the officials said. Mr. de Mohrenschildt had known Lee Harvey Oswald and his wife, Marina.

Mr. de Mohrenschildt was a psychiatric patient at the Parkland Hospital in Dallas for 51 days late last year after a suicide attempt, according to a United Press International report today.
