Dear Mr. Weisberg:

Thank you for the interest you have shown in the work of the House Select Committee on Assassinations. I am writing in response to your earlier request to be placed on the Select Committee's mailing list.

We have received thousands of requests for documents, exhibits, transcripts of testimony, and other pertinent material relating to both the assassination of President John F. Kennedy and Dr. Martin Luther King, Jr. Unfortunately, due to the short time remaining in the Committee's existence, and with public hearings scheduled for November and December of this year, the Committee will not be able to meet the requests for these materials.

The Government Printing Office is doing all our printing and will be the first to have copies of all materials at a reasonable charge. I would suggest, therefore, that you contact GPO at the conclusion of the Committee's hearings in December to obtain any documents you desire. You can contact GPO at the following address:
