Dr. Emilio Nunez Portuondo and Jose San Antonio Cabanca - Cuban "Plan"

This confirms Phone call by the undersigned to SAIC Marshall, Miami, Fla., and to SA Pine, PRS at midnight on Nov. 2h, 1963 reporting that Mr. Francisco Aguilar Santoalla, Agent of the Investigative Section, Ranco de Marico, S. A., Mexico City had phoned at 9:h0 PM. Nov. 2h, 1963 to the San Antonio Police Department, San Antonio, Texas, to immediately deliver the following message to L. M. Benavides of the U. S. Secret Service. Capt. Joe Niaves, Uniform Patrol, San Antonio Police Department received the phone call from Mr. Aguilar and since Capt. Joe Niaves is a Spanish speaking person it is felt the message was complete and correctly received. The message was in Spanish and is translated as follows:

"The international telephone operator in Mexico City reported to him (Agent Francisco invilar) that she had monitored a long distance telephone call placed in Mexico City by Jose Antonio Cabanca from Mexico City telephone Mc. 186336 to Dr. Emilio Munez Portuondo, Miari, Florida telephone Mo. 3712961 which stated 'The Castro plan'is being carried out. Bobby is next. Soon the atomic bombs will begin to rain and they won't know from there! ".

On Nov. 25, 1963 FRI Agent Frumsted of the San Antonio Office called at our office and stated our Service had informed them of this message and requested background information on the informant, Mr. Francisco 'guilar Santoalla, which was furnished to him, as Mr. Aguilar has been a long standing friend and able investigator.
