

WELLS, REV. ROBERT

Pastor, Central Baptist Church  
Anaheim, California

*guy Ruxton*

according to Maj. Arch Roberts (Victory Denied, pp. 87-9) Wells is (or was) the pastor of Wm. Manahan, the North American Aviation employee who picked up copies of "Factors Operative in a Post-Arms Control Situation" and got upset; evidently Wells also got upset and recommended sending copies to members of Congress and making it public. (See Manahan card and ~~xxxx~~ indicated files for further details)
