INDIANA PERSECUTION CAN

Only last month , NSRP Indiana Chairman, Marvis Brown announced a new reasons literature distribution campaign. He ordered thousands of extra copies of "The Thunderbolt" newspaper. They started their saturation campaign in Indianapolis and a goodly number of people wrote into the Party. Next, Marvis Brown, National Organizer R.D. Eldridge and two Christian preachers went into Greenfield, Ind. They began to distribute literature up and down the street. At that time the conspiracy engineered by the state went into effect. Indiana has a law which has already been declared un-Constitutional by one of its own state judges (in South Bend, Ind.) called "racketcering in hate." This is the ridiculous charge these members now face, -- EECAUSE THEY DARED TO DISTRIBUTE OUR NEWSPAPER FREE OF CHARGE ON THE STRIETS! These members were released under \$2,000 bond each, -- which cost \$800 due to the fact that we had no local members in this city to place property bonds which is the usual way we gain release of arrested members. Also there were no funds available in the defense fund. Atty. Stoner will also defend this case on Sept. 10. The results will be announced in the October "Thunderbolt." The case will be appealed on Constitutional grounds if not won at the initial hearing.

SHOCKING FBI FRAME-UP ATTEMPT IN ALABAMA

Only two weeks ago <u>Kenneth Adams</u>, NEW hairman of Calhoun County, Ala., was indicted by a trumped up FBI charge of beceiving stolen dynamite from a U.S. Military Reservation. Mr. Adams' home was searched twice for dynamite and nothing found. Two men have confessed to having taken the dynamite (people unknown to Adams) but the FBI has offered them a 'deal' if they would point the finger at Kenneth Adams. The FBI even found the dynamite in a deserted house. There is no evidence at all against Adams. But he is the strongest fighter against race-mixing in Ala., therefore the FBI has long been out to frame him. At this moment Rev. Connie Lynch is over there helping Kenneth to organize protest demonstrations against this obvious frame-up.

There you have it. All these cases will be fought and won. There will be more. We will never stop fighting, but you must help if we are to continue to win. When you give to the NSRP Legal Fund you may be helping to save yourself someday. If the enemy should viciously turn on you for some outstanding work you have done for the Cause we will be there to help you. We must be ever vigilant. United we stand, divided we fall. One of the main reasons so many people join NSRP is because they know that in union there is strength, and the NSRP always stands by its members. So long as a member remains in good standing and acts in an authorized legal manner for the Party, or proclaims his innocence to any phony frame-up charge, we will stand by him. But YOU, must stand by us. Give this month to the NSRP Legal Fund. Some \$10,000.00 has been spent in the past to help persecuted Patriots. Give now so that we may continue this worthwhile and vital legal service to our people.

NATIONAL STATES' RIGHTS PARTY P.O. Box 184 Augusta, Georgia

Yes, I agree that the NSRP must be ever ready to come to the legal aid of any persecuted member. I realize that without such protection, the enemy would seize upon this as a sign of weakness and destroy the Party with multiple false arrests. I marvel at the fact that despite the many past cases, no NSRP member has ever served time in jail. Thanks to Atty. Stoner and others who have helped, all our members are free. Please accept my inclosed contribution marked below. Please send me a letter acknowledgeing this contribution along with a statement on the total amount donated to this Fund as a result of this appeal.
