

Bugging-Democrats
Aliases, from Bob Woodward, Wash
Post, 6/19/72 (correlations from
Ian McDonald, London Times):
Gene Valdes (Martinez)
Paul Godoy(n) (Gonzalez)
Ed Hamilton (Fiorini/~~Barker~~Sturgis)
Frank Carter (Barker).

An unidentified Valdes is in
Haynes Johnson's Bay of Pigs
(p.154) as combatant, anti-tank.

I have nothing on any of the
aliases, but the closest is a
Gaudet, who was CIA also and is
extremist right, New Orleans and
Waveland, Miss.
