met Len Riety 1/67 when he was asked to summarize records and memos.
Lata. Only a early copy held from Riety. Then in May "you" for CREFP, &
to write number compare by. Plan for spying. Buckley later gave
him a plan book on a memo string saying HTH got her taxi rides.

got a semi-retired car driver, with Riety approve & returned to Justice
Restaurant to give memo in public & also be with held. The given in private

E/mor by wtt, Buckley noted office of 1026-1720 to see he copying get license
photographic equipment 10/22/71. Also "get Jack Kent". That Hunt did not
trust each other! He had he seen was what was sent from to to by
& Murkin's office. Analyzed what was useful to further spying, like

it means, plans, instructions drafts of memos & info
got \$1,000 a month but this left nothing for him, after paying all costs.

Would he do it again? "I don't think I'd do it for a while."
Riety said they didn't even know where Murkin's dog were.

met W. got when he was FBI, to get caught on gambling raid, they then got to be friends.

Reassigned home when picture was in paper. He knew him as W. man. Did not
think of going to authorities, FBI. Saw in "connection"
discussed with Dennis Leonard. Take "Lauryn - clear" no questions - not even explain

drawn by Thomsen, who great in ad

Does nothing wrong with what he did, no violation of which act / is corrupt had
need it), Aguado is normal in that way of it. Hearty response, perhaps

Learned + Aguado - clients - border? - not Cambridge in 1969

Did not account in income tax if not illegal he had do include as interest

should be expenses. He did not see equipment which he kept.

He is worst guy, he took of worst years of the 1960 campaign - Nixon - JFK? Bonds
like Nixon instead

But was spying + stealing at his meeting committees, 1960s, etc, not, he kept
