

News of burglary - first index

EBJ a.m. to news 7:16, not mentioned in head lines, finally listed in opening news item, which it was with opening theme of commercial office buildings, this text was so short that all of these things were over at 7:06, followed by a European leader of Washington, in interview with a ~~French~~ ^{Swiss} ~~for~~ English man.

The first news of the fact did not include a single reporting of any of the immediate expression of congressional outrage, some of which were taken on radio such as congressional & houses in news papers calling it a policy - state men of entire country to BJ Friday at 7:17 d.m. - present great urgency. Condemn to EBJ interview 7:18. if from it will all go away. First ref - Justice in fact - to John in interview about his

~~fact~~ Justice in interview about his 7:40 Today had gained of Talmadge, agreeing that secretary in the top is quite available. Talmadge said "An only evidence on committee has to emphasize the President is the testimony of John Dean" "Implicate in what? In context, knowledge of a cover-up only, the best of the current coverage. B&H agrees that if the tapes do not support Dean "the thing"
