

Dear Jim, for the chapter Caddy: Holding the Bag of my WG book, I have been trying to identify three lawyers who appeared in the Caddy deposition of 8/25/72. They are not in the DC phone book and although I thought one was Hogan & Hartson son he is not on their 1973 letterhead. If you can check them in the DC list, I'd appreciate it. Urban A. Lester and Joseph Contrucci, who repped Caddy; and Leonard B. Phillips. My notes indicate that Phillips repped "defendants, with Rothblatt. Perhaps he is with Bailey? Not their 1971 letterhead. It also would be helpful if not too much trouble to have just the list at Hogan & Hartson, not all the bios except for those active, like Bittman and Mittler, for 1972,3,4. My task is complicated by not being able to find the clip identifying the two H&H lawyers who repped Caddy with two from his own firm, before grand jury. Thanks.
