

29 Jun 73

Just in case I forgot to mark a date in copy of a story in SFChronicle 15 Jun 73, "A report of Hunt visit to Dita Beard," the date - March 10, 1972 (given as March 19, 1970 in the story) - this fits neatly between 6 Mar 72 and 17 Mar 72 in the short chronology on Dita Beard memo. 6 Mar 72, her doctor says she told him she wrote memo; 10 Mar, Hunt suggests to Colson that he go to Denver; 17 Mar, Mrs. Beard says memo is a forgery.
